

**Brian, Kristine, Analise & Josiah Toone  
and Abigail Kawell to Nicaragua  
December 29<sup>th</sup> to January 11<sup>th</sup>**

Join us in praying for the work of Nuevas Esperanzas in Nicaragua and the Toone family trip.

Please pray...

- That the water program would continue to develop to bring clean water to the communities
- That the church would unify in the water project, but also draw people to Christ, the Living Water
- That the coffee refugees would continue to develop their new lives and community
- That God would direct our time to be a blessing to the Nicaraguans and the local missionaries
